

JOB DESCRIPTION

J&P COO Network

Engagement Model: Executive Compensation Based on Experience

Location: Global | USA | Vietnam | Remote Opportunities

About the Network

The J&P COO Network is an exclusive community of Chief Operating Officers, Chief Transformation Officers, Presidents, Managing Directors, Vice Presidents of Operations, and enterprise leaders responsible for translating business strategy into operational execution.

This network is designed for senior executives who have successfully led organizational growth, business transformation, operational excellence initiatives, digital transformation programs, and large-scale operational organizations.

Members of the network gain access to executive leadership opportunities, board-level visibility, strategic advisory engagements, business transformation initiatives, and global executive search assignments.

Why Join the J&P COO Network?

Executive Opportunities

Access high-impact executive leadership roles and transformation assignments that are rarely available through traditional recruitment channels.

Strategic Influence

Engage with organizations seeking experienced leaders capable of driving growth, transformation, and operational excellence.

Global Community

Connect with fellow COOs, enterprise leaders, board advisors, investors, and business owners across industries and geographies.

Business Transformation Impact

Contribute to organizations undergoing significant growth, restructuring, digital transformation, or operational change.

Long-Term Leadership Development

Remain connected to future executive opportunities, advisory engagements, and board-level pathways.

Join the Network

Become part of a distinguished community of operational leaders shaping the future of business performance, transformation, and organizational excellence.

Submit your executive profile today to join the J&P COO Network.

The Right Leadership. The Right Execution. The Right Future.
